DEBT COST ADJUSTMENT:

Billing under this schedule may be increased or decreased by an amount in the cost of debt capital incurred pursuant to securities, the issuance of which has been approved by the New Mexico Public Regulation Commission, of the debt cost utilized to establish these rates. This is in accordance with New Mexico Public Regulation Commission Code of Rules and Regulations No. 540.

TAX ADJUSTMENT:

Billing under this schedule may be increased by an amount equal to the sum of the taxes payable under the Gross Receipts and Compensating Tax Act and of all other taxes, fees, or charges (exclusive of Ad Valorem, State and Federal Income Taxes) payable by the Utility and levied or assessed by any governmental authority on the public utility service rendered, or on the right or privilege of rendering the service, or on any object or event incidental to the rendition of the service.

LATE PAYMENT CHARGE:

A late payment charge of one and one-half percent (1 1/2%) per billing period or fraction thereof will be charged on all utility service bills and invoices which are delinquent per the provisions of the tariff.
