

Four-Star Quality Rated

CIBOLA
GENERAL
HOSPITAL

Cibola General Hospital received a 4-Star rating from the Centers for Medicare & Medicaid Service, CMS, for the care we provide to our patients. Based on the results of the data that was released last year, over 4,500 Medicare-certified hospitals are rated on a 5-Star system. Cibola General Hospital's performance put us among the highest rated hospitals in the U.S.

The staff at Cibola General drive the overall quality of services and are a critical component of quality improvement. We are thankful to our wonderful staff for helping us earn this honor.
