

# *enchantment* Magazine Survey

Continental Divide is helping our statewide electric cooperative association conduct a digital opinion survey about ***enchantment***, the official magazine of electric cooperatives in New Mexico.

Our goal is to make sure the ***enchantment*** is a valuable source of information for our cooperative members across our great state.

Visit <http://surveys.greatblueresearch.com/s3/NMRECAReadership-Survey-2023> or scan the QR code to access the survey, and tell us what you think about ***enchantment*** magazine's content and format.
