

Maintenance Outage to Affect Cousins Road, Vanderwagen and Black Rock Towers

Continental Divide Electric Co-op has scheduled a maintenance outage for **Tuesday, Aug. 10**, between **9 a.m.** and **10 a.m.**

The outage is necessary for crews to switch over electrical loads in these areas from our Gallup Substation to our Zuni Sub.

The outage will affect CDEC members in and around Cousins Road, Vanderwagen and the Black Rock communication towers (**NOT the Black Rock subdivision itself or the Pueblo of Zuni**).

Jones Ranch Community School and the chapter house also will be affected.

Those who depend on electricity-powered medical equipment should have battery-powered backups on hand or make arrangements to stay in a location with access to electricity during this outage.

If you have any questions about the electrical upgrades, please contact our Gallup office at **(505) 863-3641**.
